About NOVAS

NOVAS provides a broad range of services and intensive supports to a diverse range of clients. We support people who are homeless, at risk of homelessness, people in addiction and people experiencing social and economic deprivation. We work with the most vulnerable and socially excluded people in our society.

NOVAS is proud to offer specialised women's services, disability services, services to unaccompanied minors, housing for young adults at risk of homelessness and leaving the care system as well as accommodation and support to homeless families.

Our Vision Statement: Everyone has their own sustainable home.

Our Mission Statement: Novas promotes social inclusion through Housing, Health, Recovery.
