NOVAS is a not for profit organisation and Approved Housing Body. We work with single adults, couples and families who are homeless or at risk of being homeless. We provide a range of support services and accommodation. We have over 300 staff, and more than 30 services in Limerick, Dublin, Clare, Kerry, Cork and Tipperary including residential homeless services, social housing and community based services for tenancy sustainment, homelessness prevention, mental health and recovery.

NOVAS Temporary Emergency Provision (TEP) was opened in December 2016, in collaboration with the Limerick Homeless Action Team, in response to the increasing number of adults seeking homeless accommodation in Limerick city. The service provides temporary accommodation for up to 25 adults, in two separate-site locations. Clients who present to the service are often at risk of rough sleeping. It provides a safe, warm and dry place for people to sleep on a nightly basis, while longer term accommodation is secured.

NOVAS is a Trauma Informed practice organisation, and the principles of collaboration, diversity, respect and trust are embedded in our way of working together. Our services are provided through support of our partners in local government through the Local Authorities, HSE, and other donors and funders
